RACE 24	RANK 1	RANK 2	<b>A</b>	GOLD / SILVER

- **Round two** Ranking is based on race time from the first round.
- **Round three** (medal round) rankings are a total combined times from round one and round two.
- Final round medals awarded for based HEAD TO HEAD RACING.

• Every effort will be made to adhere to the established race schedule. Should a delay occur due to high waves, wind, inclement weather or any other issue out side the Sydenham Challenge control, and the delay is so lengthy as to render adherence to the original race schedule impossible, then the Race Director, in consultation with the Race Management Team, will modify the schedule.

• Should the wave, wind, inclement weather or other issues out side the Sydenham Challenge control occur during the first heat, the **recommended** modification will be to finish the first heat when conditions allow, and use all fist round times to seat team in their division for the final medal around. The second round will be cancelled, and teams will move to the final medal round.

• Should the wave, wind, inclement weather or other issues out side the Sydenham Challenge control occur during the second heat, the recommended modification will be to cancel the second round if less than half the races have been completed in this round, and use all fist round time to seat team in their division for the final medal around. If more that half the races have been completed, the remaining will be completed after the delay. In the event that the remaining race can not be completed, the medals will be awarded bass on round ones times only.

• Should the wave, wind, inclement weather or other issues out side the Sydenham Challenge occur during the final medal round, the recommended modification will be to award medals for final round races for each division that have been completed. All divisions that did have not completed the final round racing, medals will be award on their round 1 and round 2 combined times. **All decision by the Race Management.**

**Each team winning team will recieve 22 medals.**
